Bible Quiz Scholarship

We believe that studying the Word of God and memorizing scripture is one of the best ways to hide the Word of the Lord in your heart and also to let it shine in your life.

Whited Bible Camps uses the Bible Quiz forum during our camp sessions to teach campers the many ways to memorize and study scriptures of the Bible.

A camper who applies to attend one of our summer camp sessions who has been involved in Bible Quiz in their local area in the last year will be eligible for a Whited Bible Camps Bible Quiz Scholarship. They must have attended monthly Bible Quiz meets in their district. They must submit an essay explaining why they feel Bible Quiz is important in a student's life and how it has made a difference in their own life. Their Bible Quiz leader must sign their scholarship application as well.

To apply for this scholarship, please have the camper fill out the application that accompanies this letter and write the essay that is asked of you in the application. Due to the volume of requests for this scholarship and limited funds, we will be awarding one \$100 scholarship per week of summer camps.

*Any applicant who is awarded scholarship monies is not eligible for the early application canteen bonus.

After we have reviewed all applications, we will notify each applicant within one week after the deadline via email or phone. We will do our best to direct those who are not awarded a scholarship to other possible scholarships and ways of payment.

PLEASE NOTE THAT APPLYING FOR OUR SCHOLARSHIP DOES NOT GUARANTEE THAT WE CAN HELP. WE DO HAVE LIMITED FUNDS, AND A VAST NUMBER OF APPLICANTS.
