

Dave and Mary MacIntyre Scholarship

The Dave and Mary MacIntyre Scholarship is a scholarship that was set in place to help those in need of assistance when paying for their registration cost while applying at Whited Bible Camps for youth camp events.

Dave and Mary MacIntyre dedicated many years to Whited Bible Camps and the campers that attended. Their love for Jesus Christ and the desire to introduce Him to children of all ages was seen through their dedication as Directors of Youth Camp at Whited Bible Camps. This is a position that they held for 42 years.

Dave and Mary MacIntyre have seen many generations of campers walk the grounds of Whited Bible Camps and were honored to say that the majority of them have heard the voice of God and learned His call on their lives while at camp. There are many pastors, evangelists, teachers, missionaries, etc... that are, who they are, because they heard and listened to the heart of God while at camp.

It is because of their dedication, commitment and passion, Whited Bible Camps decided to name a scholarship after the MacIntyre's so that their desire to see youth introduced to Jesus through camp could continue on.

To apply for this scholarship, please have the camper fill out the application that accompanies this letter and write the essay that is asked of you in the application. Due to the volume of requests for this scholarship and limited funds, we will be awarding:

one \$50 scholarship for the session of Winter Blast,

and two \$100 scholarship per week of summer camps.

*Any applicant who is awarded scholarship monies is not eligible for the early application canteen bonus.

After we have reviewed all applications, we will notify each applicant via email or phone. We will do our best to direct those who are not awarded a scholarship to other possible scholarships and ways of payment.

PLEASE NOTE THAT APPLYING FOR OUR SCHOLARSHIP DOES NOT GUARANTEE THAT WE CAN HELP. WE DO HAVE LIMITED FUNDS, AND A VAST NUMBER OF APPLICANTS.
